Our Staff

At Nugent House School and Children's Home we have over 160 staff, working across the school and homes to support and nurture our young people.

Within school we have Teachers specialising in all curriculum subjects, working alongside Classroom Assistants and Pastoral Staff to provide 1 – 1 or 2 – 1 teaching and support. Our therapy provision includes Registered Psychologists, Psychotherapists and Horticultural Therapists.

Within the Homes we don't use agency care workers, we employ our own teams, this provides stability for our young people in that they get to know the staff teams and build more rewarding relationships, that help them settle in and grow.
