

Half Term Three – INTEGRITY

By now, students should be able to:

- Recall our 7 IACCORD VALUES and what they mean within school
- Talk about the reward points they have been given and why
- Know that our focus value for this half term is integrity
- Give examples of how we might show this value in school
- Give examples of how this value might be seen in the world around us

By now, all classrooms should have:

- A values display area in the room including using the pre-printed posters
- A class chart for the wall to track reward points
- Class wish list for rewards prizes and trips
- A “class charter” of agreed, values driven behaviour

(This will be checked as part of or planned learning walks)

Week Three

Holocaust Memorial Day is marked each year on 27th January, the anniversary of the liberation of Auschwitz-Birkenau. The theme for 2020 is *Stand Together*.

- **Linked work with art and design focusing on the Holocaust**

(resources attached to email – big packs containing many links!)

- **Suggested extract reading and other stimulus material**

The boy in the striped pyjamas (John Boyne)

Night (Elie Wiesel)

(Holocaust Education Trust)

Please ensure there is a record of your planning for these sessions.

In addition, where possible please collect evidence (eg photos of displays or similar) as this will enable us to share our best practice and celebrate our successes.
